Advertisements

Requests for information and orders should be addressed to the Editorial Office. Advertisements are reviewed in light of appropriate ethical considerations before being accepted for publication. The publication of advertisements relies on the responsibility of the advertiser to comply with all legal requirements relating to the marketing and sale of the products or services advertised. The publication of an advertisement neither constitutes nor implies a guarantee or endorsement, by the Formosan Medical Association and/or the Publisher, of the product or service advertised, or the claims made for it by the advertiser. The Formosan Medical Association reserves the right to discontinue any advertisement if so wishes.

Copyright

Submission of a manuscript implies:

- that the work described has not been previously published (except in the form of an abstract);
- that it is not under consideration for publication elsewhere;
- that it has been approved by all co-authors, if any, as well as by the responsible authorities at the institution where the work was carried out;
- that, if and when the manuscript is accepted for publication, the authors agree to automatic transfer of copyright to Elsevier and the Formosan Medical Association;
- that the manuscript will not be published elsewhere in any language without consent from Elsevier and the Formosan Medical Association;
- that written permission has been obtained by the authors from the copyright holders of material used from other copyrighted sources.

All articles published in the *JFMA* are protected by copyright, which covers the exclusive rights to reproduce and distribute the article, as well as translation rights. No part of this publication may be reproduced, stored in any retrieval system, or transmitted in any form or by any means, electronic, mechanical, by photocopying, recording, or otherwise, without prior written permission from Elsevier and the Formosan Medical Association.

Disclaimer

While the advice and information in this journal are believed to be true and accurate at the date of it going to press, the authors, the Formosan Medical Association, and the Publisher, cannot accept any legal responsibility for any errors or omissions that may be made. They make no warranty, express or implied, with respect to material contained herein. The opinions expressed in this journal belong to the authors and do not necessarily reflect the opinions of the Formosan Medical Association and the Publisher.
